CAUTION  
FOR YOUR SAFETY  
DO NOT WATCH  
WHILE DRIVING

While driving, the TFT monitor will display "Warning, do not watch video when driving!" in order to ensure the safety. However, if you want to watch video during driving, it is necessary to connect the **2 Brake shift control** wire to the power negative pole. Or, the brake control wire should be directly grounded.

**!!! For your safety, please do not watch the video during driving !!!**
