

TLC 690

Coassiale 165 x 234 mm

**altoparlante coassiale ellittico, 3 vie,
165 x 234 mm (profondità 78 mm),
cono in polipropilene color titanio,
piastre polari cromate,
griglie incluse nella confezione**

TECHNICAL DATA:

nominal impedance (Zn): 4 ohm

nominal power (Pn): 90 watt

peak power (Pk): 250 watt

sensitivity (2.83 V/1 m): 91 dB

freq. range (BW): 50÷20000 Hz

woofer data

voice coil diameter: 25 mm

cone material: polypropylene

surround material: butyl rubber

basket material: steel

magnet material: ferrite

midrange data

voice coil diameter: 19 mm

dome material: mylar

magnet material: ferrite

tweeter data

voice coil diameter: 13 mm

dome material: mylar

magnet material: ferrite
